Phone: +1 860 687 0178 | Fax: +1 860 687 2111

Current Responsibility

Ellyn Russo is a healthcare consultant with Milliman's Hartford, Connecticut office. She joined the firm in 2020.

Professional Work Experience

Ellyn provides value to clients by designing and synthesizing analyses to quantify healthcare delivery and health outcomes for various health states and healthcare interventions across all U.S. healthcare markets.

Prior to joining Milliman, Ellyn amassed a decade of experience analyzing and presenting healthcare data for regulatory reporting, quality improvement, and research purposes. She has authored and co-authored manuscripts published in peer-reviewed journals on *Clostridioides difficile* infection and the safety and effectiveness of antibiotics and influenza vaccines.

Education

- MS, Clinical and Health Services Research; Dartmouth College
- BS, Major: Biology, Minor: Spanish; Bucknell University
